Two HCC members are graduating from Tamarac high school on June 27, 2025

CONGRATULATIONS!!!

Hannah Beaudoin has been a passionate and dedicated performer and athlete from a young age. She began her journey in dance by clogging alongside George and Fran (her grandparents) while doing the Horse & Buggy in her driveway while waiting for the bus every morning. She expanded her involvement to include gymnastics, ice skating, softball, cheerleading and dance. Hannah excelled in both academics and extracurricular activities. She was an integral part of HCC's demo and clogging competition teams and Tamarac's cheerleading and competition cheer teams, demonstrating leadership, dedication and grace under pressure. Her passion for clogging grew into a competitive pursuit, taking her to international stages, including Italy, where she earned numerous accolades for choreography, dance style and technical precision. She has taught beginner to advanced classes. In addition, Hannah warmed the hearts of many residents in nursing homes as she participated in several demos over the years. Hannah also served on Class Council, participated in the National Honor Society, and was an active member of Chorus Council and the Choralaires. Hannah will continue her journey at Mars Hill University in North Carolina, where she will be studying Elementary Education and furthering her clogging career. We wish Hannah all the best as she pursues her passion for teaching and dance.

Kayla Beaudoin from an early age immersed herself in a wide range of youth sports, including basketball, softball, soccer, gymnastics, ice skating and dancing. Kayla also clogged to the Horse & Buggy in her driveway while waiting for the bus every morning. When Kayla turned 7 she took the beginner clogging class. Although Kayla did not continue with clogging, she attended many demos and competitions throughout the years cheering on her sister. Kayla's natural athleticism and competitive drive laid the foundation for a successful and inspiring high school career. Kayla has been a standout two-sport athlete, contributing her talent, leadership and relentless work ethic to both the basketball and volleyball teams. Kayla has been recognized as a Wasaren League All-Star in both volleyball and basketball. Kayla was also an active member of Class Council, the National Honor Society, Leadership League and the Choralaires. Kayla will continue her academic and athletic journey at SUNY Oneonta, where she will pursue a degree in Exercise Science with the goal of becoming a physical therapist. She also plans to continue playing basketball at the collegiate level.
